

FIRST AMENDMENT TO
AMENDED AND RESTATED DECLARATION OF PROTECTIVE COVENANTS AND
RESTRICTIONS

ALPINE MEADOWS SUBDIVISION IN GUNNISON COUNTY, COLORADO

WHEREAS, THIS FIRST AMENDMENT TO AMENDED AND RESTATED DECLARATION OF PROTECTIVE COVENANTS AND RESTRICTIONS amends that certain Amended and Restated Declaration of Protective Covenants and Restrictions Alpine Meadows Subdivision in Gunnison County, Colorado recorded September 26, 2018 at Reception No. 656218 in the official records of Gunnison County, Colorado (Declaration); and

WHEREAS, the Owners desire to amend the Declaration with the amendments set forth herein, and pursuant to the Declaration, Article 19, Section E, 67% of the Lot Owners have approved the within Amendment as required for recording in the official records of Gunnison County Colorado.

NOW THEREFORE, the Association and the owners, for themselves, their successors and assigns, do hereby publish, establish and declare that the following terms, covenants, conditions, easements, restrictions, uses, reservations, limitations and obligations, as they may be amended and/or restated from time to time, shall be deemed to run with the land, shall be a burden and a benefit to the Association and the owners, and binding upon any person or entity having any right, title, and interest in and to the afore-described real property or the Alpine Meadows Subdivision, or any part thereof, and their heirs, successors and assigns, and shall inure to and be for the benefit of each owner within Alpine Meadows Subdivision, and accordingly amend Article 1 of the Declaration as follows.

- 1. USE AND SIZE - FAMILY RESIDENCE.** All lots within the Subdivision shall be used exclusively for residential purposes. "Family Residence" shall mean the primary residence on any lot within the Subdivision which is designed for occupancy by the owner of the lot. There shall be only one family residence on any lot, and no lot shall have more than a maximum of two buildings. A family residence shall be no more than 4,500 square feet in size but no less than 1,000 square feet. However, the square footage may be expanded to a maximum of 6,200 square feet if deemed by the Architectural Control

Committee to be sufficiently hidden from view. In this case, no more than 4,700 square feet shall be in view above grade, with an additional 1,500 square feet allowed at garden level. The floor of a family residence at garden level shall have no more than one-half (1/2) of its exterior walls visible from the exterior of the structure. If a second building is desired, it shall be no more than 750 square feet in size. Such square footage shall be included in the total aggregate allowable square footage on any given lot, which is 6,200 square feet. Any detached garage and/or guest space shall be accessed by the same driveway as the family residence. No other buildings such as carports or sheds shall be allowed except for a child's playhouse, which must be placed as approved by the Architectural Control Committee, in consultation with any other commenting owners. In computing square footage, the area of garages shall be included but open porches shall not be included. When remodeling and otherwise, all existing structures shall be computed as part of the total aggregate allowable square footage on any lot.

The maximum height of any building shall be thirty-five feet. The height of a building shall be measured and determined as set forth in the Uniform Building Code.

If a secondary building is used for guests, the habitable space shall have no more than two bedrooms, one bathroom and one air lock entry. It shall not contain a kitchen and shall not be rented or leased for consideration, separate and apart from a rental or leases of the entire lot. The guest space shall at all times be owned by the owner of the lot.

No commercial or business enterprise of any nature shall be allowed or permitted on any lot; provided, however, that the owner of a lot may be permitted to rent or lease the lot and improvements thereon, subject to the restrictions herein, and subject to rules and regulations related to short and long-term rentals adopted and approved by the Board of Directors. Any owner wishing to rent his or her property for any amount of time must first register such use with the Association, providing such information as set forth in any policy the Association may adopt on rentals. All renters shall follow all rules and regulations, policies, the Declaration and any amendments thereto, including the within Amendment. Owners shall be responsible for any violations thereof, including the imposition of any fines,

and any damage to any community property. Prior to any rental tenancy, Owners shall provide to the Board a release of liability and indemnification agreement as to the Association signed by all their renters in a form provided by the Board. Any owner or member who rents his or her property shall fully indemnify, defend and hold harmless the Association from any and all claims that may arise as a result of the rental of the owner or Member's property.

There shall be no camping on any lot or property.

Owners as of the recording date of this Amendment may rent their property three (3) times of any duration between May 1 and October 31 and three (3) times between November 1 and April 30 of each year. There shall be no minimum or maximum stay restrictions for each rental.

Owners who purchase their property after the recording date of this Amendment may, for the first three (3) years of their ownership, only rent their property on either a short-term basis for a cumulative total of fourteen (14) days per year, or once per year as a long term rental of at least six months. Thereafter, they may rent their properties as owners who owned their property as of the date of recording of this Amendment.

A home trade or exchange shall be treated as a rental for the purpose of this Amendment. No sublets or assignments are permitted. The individual listed as the responsible party for the rental shall be present during the entire period of the rental. For example, a rental contract in which one group occupies the property for, say, a week, and then is completely replaced by a second group for a second week will count as two rentals.

Family members and relations given full use of the home without paying rent does not constitute as a rental. Allowing close friends full use of the home without paying rent also does not constitute a rental, although such use should only be occasional and the Board should be notified of such pending use with the same registration, waiver, and information requirements of a rental tenancy.

Owners shall not occupy their property while said property is being rented. This provision shall not apply to caregivers, limited to two people, who may occupy an owner's home or guest space in order to assist the owner for health, safety or medical reasons, provided such exception is reviewed in advance with and approved by the Board of Directors of the Association.

The amount of occupants per rental shall not exceed 13 people at any time.

Renters may keep certain vehicles on the property during the period of any rental, which will be limited as set forth herein and pursuant to the rules and regulations related to the renting of homes adopted and approved by the Board of Directors. Such restrictions shall relate to such things as, but not be limited to:

- the number and kind of vehicles allowed (including standard passenger vehicles as well as "Alternative" vehicles or equipment such as RVs, campers, 5th wheel campers, trailers, off-road vehicles, snowmobiles, or a boat); except that a certain number of passenger vehicles shall always be permitted.
- their visibility from the street; and
- Alternative vehicles or equipment may remain visible or kept on the property in conjunction with the rental of the property for a period not to exceed fourteen (14) days during any rental.

The Association has the right to tow, impound or boot any vehicle parked in excess of these provisions at the owner's or renter's expense, but only after a notice is provided at least 48 hours in advance.

No parking of any vehicle or equipment of any kind is allowed on the street.

No dogs are permitted in conjunction with a rental.

An owner or lessee may also conduct a home business, artistic or literary activity on any lot upon the prior approval by the Board of Directors of the Association as to such business or activity. "Home business" shall mean any commercial use carried on within a family residence which is:

- A. customarily conducted entirely within a family residence by the occupants of the family residence;
- B. incidental and secondary to the use of the family residence for residential purposes;
- C. conducted in such a fashion as not to change the manner or character of use of the family residence;
- D. conducted in such a fashion that the commercial noises and activities do not interfere with the quiet of the neighbors and quiet and dignity of the neighborhood;
- E. conducted without the employment of individuals other than the occupants of the family residence; and
- F. not utilized as a wholesale or retail outlet.

Enforcement of this Amendment and the Declaration, including any governing documents of the Association, shall be subject to a policy, including the imposition of fines, duly adopted by the Association. Owners who repeatedly violate the terms and conditions of this Amendment shall be subject to reasonable fines, as well as a suspension or a reduction in the ability to rent his or her property for a reasonable time to be determined by the Board of Directors of the Association. The policy shall also provide the procedures and process for Owners to contest such fines.

Except as amended herein, all other provisions of the Declaration shall remain in full force and effect.

IN WITNESS WHEREOF, this First Amendment to Amended and Restated Declaration of Protective Covenants Alpine Meadows Subdivision in Gunnison County, Colorado is executed by the Association on this 2nd day of April, 2019.
